

2011 TOSC Childcare Policy

Childcare is available for all daytime and evening OSC functions (exceptions: our Open House, off base events, and the Auction). Spots are limited to a first-come, first-serve policy. Please make your childcare reservations at the time you make your function reservation and let us know the age(s) of your child(ren).

Childcare will be held in the neighboring room of all events. You may drop off your child(ren) no earlier than 15 minutes prior to the start of the function and pick them up immediately after the function. The fee is \$5.00 per hour per child and \$1 per hour for each additional child (for example, 3 children would be \$7.00 per hour). Payment is due when you pick up your child (cash or check only). Please pack a bag with the items your child will need (diapers, wipes, etc.) including a nutritious snack and drink and label your child's belongings. If dropping off an infant, bring a car seat or stroller.

Please note: The childcare providers will not give your child a snack unless you have packed it and labeled it.

Behavior: Aggressive behavior will not be tolerated. If children are aggressive and unresponsive to warnings, the parent will be contacted to pick up their child immediately and children will not be allowed back in childcare until the issue has been resolved.

Please direct any questions regarding childcare to Victoria Wong, First Vice-President at villadegomez@gmail.com.
